Established 1990

The National Engineers Clearinghouse has been providing the following services to engineering firms, construction firms, A/E firms, environmental firms, municipalities and utilities since 1990.

•**NEC Resume Reports**• Candidate lists are sorted to provide you with the names, contact information, and resumes of those individuals who have indicated an interest in working in the geographical area(s) and in the discipline(s) you designate. You have a choice of standard or premium service. (See  under Additional Information below.)

•**NEC Positions Report**• (free with purchase of NEC Resume Reports) Email, mail, or fax your job ads (or provide your website address if positions are listed there) for listing in our NEC Positions Report. The NEC Positions Report is posted on our website (www.engineersclearinghouse.com) as well as emailed to potential candidates.

Additional Information

 **Standard Service:** NEC Resume Reports - resumes are accumulated and sent out in batch form twice monthly.

 **Premium Service:** Resumes emailed individually as processed. Fastest Service.

Clearinghouse reports for companies will include information submitted by individuals. NEC does not verify information, retain additional information submitted, discuss any Clearinghouse information in response to inquiries, or provide counseling about jobs. The Clearinghouse is not an employment agency or placement firm, nor does it conduct specific job searches for candidates or employers. The Clearinghouse seeks to provide a low cost method for matching parties based on common interests of engineering discipline and location. The Clearinghouse is not able to guarantee any specific number of candidate listings in a report. NEC does not charge placement fees. **Rate schedule good through March 31, 2010.**
